PRESS RELEASE

Ovivo Awarded two Major Ultrapure Water Projects Worth over \$14 Million in Asia

Montreal, Canada, December 9, 2015

Ovivo Inc. (“Ovivo”) has been awarded two large contracts for a combined value of over \$14 million Canadian in the Asian Electronics market.

The first contract is to design and supply ultrapure water (“UPW”) system equipment, including the extension of the current UPW and distribution loop capacity of a plant, as well as adding reclaim water process and equipment technology. The delivery of the system is scheduled for the end of 2016.

The second contract is to provide UPW equipment and services for capacity expansion, including high purity polishing system. The delivery of this project is scheduled for April 2016.

“We are pleased to be selected by two leading semiconductor manufacturers to execute these large contracts in Asia, a region where we see growing demand for water and wastewater solutions, and where we can leverage our local expertise and our integrated global platform”, said Marc Barbeau, President and Chief Executive Officer.
